General Consent Form for School Visits

During the year, all students will be involved in visits to places of educational interest outside the school e.g. Hong Kong Space Museum or the Central Library. These visits may also include travelling on local transport. Before each visit takes place, parents will be provided with a detailed itinerary. General permission for these visits can be given by signing the consent form below. This form also authorises the staff to arrange medical treatment in the case of emergencies if the parents or guardians cannot be contacted.

Specific permission will be requested in a separate letter for overnight trips and those out of the HKSAR.

Parents should note that this consent form will apply for the whole time the child attends KIS.

I acknowledge receipt of and have read the information regarding educational visits.

I understand that while the accompanying staff will take every responsible precaution to safeguard students; the school, the teachers and its administrators cannot be held responsible for any accident to the student or loss of property.

I hereby give permission for staff to take my son/daughter out of school on visits of an educational nature.

Consent to Medical Attention:

In the case of an emergency, I also authorise the teacher in charge of the visit to consent, where it is impracticable to communicate with me, to such child of mine receiving medical or surgical treatment as may be deemed necessary.
