IPTA Annual General Meeting

Welcome to the KIS community, the IPTA is represented by a diverse committee of parents who act as a link between parents, students and the school. After the fruitful and informative Meet-the-teachers evening, we have met the dedicated school team led by Mr. Chadwick. We are in the face of change, for the Better! We NEED you @ IPTA to support and facilitate these changes, to voice your thoughts as well! Together we make the best place for our kids to be! ☺ **K.I.S. isssssssssssss the BEST!**
