## Happy New Year!

Class Reps enhance communication within the school community. This includes being a channel between parents, teachers and the IPTA. It is not an avenue for parents to raise disciplinary or academic concerns nor is it a channel for complaints about the school, staff or students. Any issues regarding students must go through the correct channel, addressing it to the teacher first and then to the principal.

## Christmas Treats Sale

With christmas music, lights and lots of beautifully decorated baked and non baked christmas treats to enjoy, the children had a fun recess! Thank you to all the parents who supported.

### *The winners are:*
