Coffee Morning - Tuck Shop

Thank-you to all the parents who contributed feedback on the Tuck Shop at the Coffee Morning on October 26th.

We had some special guests from the Primary and Secondary Student Councils share their thoughts with us!

Parents most unpopular items were: soda/soft drinks, chips and candy. We also received lots of requests for: fresh fruit, dried fruit, milk & small fresh baked goods.

We will pass on your feedback.

Playroom

The reception classes have recently introduced a playroom in room 415 for their students. Some of our younger Coffee Morning guests enjoyed using the equipment too!
