

March 11, 2019

Dear Parents:

2019 Orbis Blindfold Sports Challenge

Ever wondered how terrifying it must be to live in endless blackness? Experiencing the daily difficulties and dangers facing blind people for yourself is far more impactful than any written description we can give.

Every year, our primary students get involved with the Blindfold Lunch campaign wearing eye masks, being cast into darkness and challenged to have lunch like never before. Over 50,000 students in Hong Kong have covered their eyes and joined the Blindfold Lunch Campaign since 2012. This year, the younger primary students will also take part in the Blindfold Sports Challenge.

In Secondary School, the students will participate in a Blindfold Sports Challenge and will also facilitate the Primary Blindfold Sports Challenge.

The ultimate aim is to encourage students to cherish their sight by experiencing first hand a small taste of the difficulties blind people face every day! On **March 18**, we will organize this meaningful activity. Every student will receive a Blindfold eye-care game card and we will also give away an attractive themed eye mask plus braille bookmark to every child donating over HK\$35.

A donation of just HK\$300 can already help subsidize a patient for a cataract surgery, and a donation of just HK\$600 can subsidize a child for a strabismus surgery. Please join this meaningful activity by completing and returning the enclosed reply slip. Millions of people with preventable blindness worldwide thank you in advance for your support!

Best Wishes

Christy Cheng
Development Executive
