DATE	CODE	CLASS	INTRODUCTION OF CLASSES	TEACHER	TIME	TOTAL NUMBER OF SESSIONS	CHEQUE PAYABLE TO	VENUES
Monday	M1	Science JR (R-Y2)	From Astronomy to Zoology, Science JR brings in different scientific fields to you. Be curious to explore. Be bold to create and test your inventions. Think like a scientist!	Vivian Li, Olga Chung	3-4pm	10	Science JR	Rm 504
Monday	M2	Science JR (Y3-6)	From Astronomy to Zoology, Science JR brings in different scientific fields to you. Be curious to explore. Be bold to create and test your inventions. Think like a scientist!	Olga Chung	4:15-5:15pm	10	Science JR	Rm 505
Monday	M3	Glee Club (Y1-4)	Just like the show, Glee Club is all about bringing out the inner singer, dancing and theatrical star inside all of us. A fun, exciting and modern way to develop your talents. You will transform popular and catchy tunes into spectacular stage numbers. By learning to sing the most popular songs up-to-dates, you will also learn all the cool moves from Hip Hop to Jazz Funk to Pop Jazz, whatever you've seen in the MTV. Join us at our KIS Glee Club, and you may get a chance to perform in our yearly performance, having a taste of shining on the stage!	Sky Suen	3-4pm	10	Suen Ki Yan	Rm 415
Monday	M4	Glee Club (Y4-13)	Just like the show, Glee Club is all about bringing out the inner singer, dancing and theatrical star inside all of us. A fun, exciting and modern way to develop your talents. You will transform popular and catchy tunes into spectacular stage numbers. By learning to sing the most popular songs up-to-dates, you will also learn all the cool moves from Hip Hop to Jazz Funk to Pop Jazz, whatever you've seen in the MTV. Join us at our KIS Glee Club, and you may get a chance to perform in our yearly performance, having a taste of shining on the stage!	Sky Suen	4-5pm	10 (Sec 8)	Suen Ki Yan	Rm 415
Monday	M5	Drama ECA (Y2-Y6)	Drama is about communication. The communication skills learnt in drama are directly transferable to the outside world. It provides each individual with the ability to talk with confidence, stand proudly and communicate ideas clearly and effectively in any situation. In our Drama ECA students will be introduced to poetry, literature, script work and improvisational skills and performance techniques, as well as covering elements of the LAMDA Examinations Verse & Prose and Acting syllabi. CentreStage Studios HK is the Official International LAMDA Tour Organiser for Hong Kong Island and Kowloon.	Imogen Taylor	3-4pm	10	CentreStage Studios HK Ltd	Rm 210
Tuesday	T1	S.T.E.M. Workshop - Engineering Workshop: Wheels and Axles & Screws (Y1-2)	Students will experiment with different simple machines through fun and creative hands-on LEGO® building. Machines will be built to demonstrate the application of wheels & axles, gears and screws. This workshop will also extensively discuss and study the simple machines mentioned above. Students will be challenged with new tasks and modifications to further enhance their LEGO® models and engineering knowledge.	Michael Cheung	3-4pm	10	The Genius Workshop	Rm 307
Tuesday	T2	S.T.E.M. Workshop - Advanced Engineering Workshop (Y3-4)	Students will begin creating compound machines which include two or more simple machines. The completed LEGO® projects will be enhanced by different modification challenges. A specialized study of automotive systems will be covered to further enhance students' understanding in the field of modern engineering.	Vince Fung	3-4pm	10	The Genius Workshop	Rm 306
Tuesday	T3	S.T.E.M. Workshop - Advanced Robotics Division (Y5-6)	Students will be working in groups to design a single robot to complete a series of different missions on a mission map throughout the entire program. Through testing and experimentation, students will be given the opportunity to modify and refine the robots' structure and codes to accomplish as many missions as possible.	Michael Cheung	4:10-5:10pm	10	The Genius Workshop	Rm 306
